Hanging Clamps
Flooring
Carpet
Custom Entry Systems
Custom Graphics
Banner Poles

Clear tops are the perfect solution for maintaining the feel of an open space. The clear overhang lets natural light in and allows an unobstructed view of the sky. It’s great for clear blue skies, starry nights or even rainy days. No center pole is used, giving the inside an unobstructed and airy space. Clear tops are highly versatile and elegant, making them a great fit for higher-profile events.

Visit us at cortpartyrental.com or speak to our experienced Event Specialists to discover your tent solutions.

Installing a floor system will dramatically improve the usable space available on your property or venue, regardless of the obstacles we commonly see on-site. CORT Party Rental has the experience, resources and know-how to erect sub-flooring over gardens, pools, decks, uneven terrain or wet ground. Whatever gets in our way, we have it covered!

Engineered Tent Flooring
Installing a floor system will dramatically improve the usable space available on your property or venue, regardless of the obstacles we commonly see on-site. CORT Party Rental has the experience, resources and know-how to erect sub-flooring over gardens, pools, decks, uneven terrain or wet ground. Whatever gets in our way, we have it covered!

Professional flooring can make your temporary venue feel both permanent and complete. With options ranging from plastic lay down floor to custom sub-floor construction and fully leveled decking. Any backyard, parking lot or open area can be transformed into a stunning venue. Once the floor is installed, we can add steps, ramps, guardrails and other safety measures to keep your guest flowing smoothly throughout your event. Pair flooring options with turf, carpet or other stylish covers to complete your look.

Floor Systems
- Gridmat Light Duty Plastic Laydown Flooring
  - This natural turf protection system can be used for tent floors, walkways, patios, outside displays and athletic field covers.
- Sur-loc / Dura-Trac Medium Duty Plastic Laydown Flooring
  - Whether your surface is flat or a little uneven, Dura-Trac creates a safe, professional surface for a successful event.
- I-Trac Heavy Duty Plastic Panel Laydown Flooring
  - Used on a wide range of applications from access roads for heavy vehicles or equipment to helicopter pads and loading dock areas.
- Plywood Laydown Subfloor
  - Ideal when needing a solid floor that can transition with your ground. Can be set on a flat or slightly uneven surface.
- Elevated and Engineered Flooring
  - Our elevated flooring options are ideal for rolling landscapes or slopes. Can be installed with grade changes up to 15°.
- Pool Cover Decks
  - A CORT Party Rental pool cover will transform your pool area into a unique and functional atmosphere suitable for a variety of uses.

Roadways, Loading Areas and Paths
CORT Party Rental provides effective solutions for temporary roadways, construction job sites, tent entrances and stadium events with products that are cost effective and environmentally friendly.

</table>

To view all of our table options please refer to pages 54-59, visit our website www.cortpartyrental.com or speak with one of our Event Specialists for assistance in meeting your specific event needs.

**Savvy Tips**
- Table runners add style and texture to a table, so get creative and have fun layering!
- For linens longer than your selected table size, simply “tuck” the additional fabric underneath for a finished look.
- Add a table pad prior to laying out your linen for a polished presentation.
- When planning an outdoor event, consider a linen that sits slightly above the ground to avoid getting the linen wet or dirty prior to guests arriving.
- Linen for stand-up tables may benefit from being tied with a sash. You will want to order a longer linen in this case as cinching shortens the length.

**Linen Care and Handling**
- When using candles please remember to snuff, not blow the candles out to avoid permanent wax damage.
- Candles should always be in a candle holder to prevent heat damage to the linen. We have many stylish candle holder options to choose from on pages 30-31.
- Our specialized team takes care of all laundering for your convenience. Simply shake the used linens off to remove any debris and place them in the linen bags provided. Damp linens should be air dried prior to placing in linen bags to eliminate potential damage to the fabric.

**Dance Floor**
Dance floors create a focal point and anticipation for what the evening will bring. The following will help you find the right size floor for your dancing guests.

<table>
<thead>
<tr>
<th>Dance Floor Size</th>
<th>Number of Guests</th>
<th>12’ x 12’</th>
<th>12’ x 16’</th>
<th>12’ x 20’</th>
<th>12’ x 24’</th>
<th>12’ x 28’</th>
</tr>
</thead>
<tbody>
<tr>
<td>12’ x 12’</td>
<td>32</td>
<td>43</td>
<td>54</td>
<td>64</td>
<td>75</td>
<td></td>
</tr>
<tr>
<td>16’ x 16’</td>
<td>57</td>
<td>71</td>
<td>86</td>
<td>100</td>
<td>114</td>
<td></td>
</tr>
<tr>
<td>20’ x 20’</td>
<td>89</td>
<td>107</td>
<td>125</td>
<td>142</td>
<td>160</td>
<td></td>
</tr>
<tr>
<td>24’ x 24’</td>
<td>128</td>
<td>150</td>
<td>170</td>
<td>192</td>
<td>214</td>
<td></td>
</tr>
</tbody>
</table>

**Dance Floor Care and Handling**
- Dance floors need to be covered and protected from the elements of weather.
- Limiting the amount of time the dance floor is on grass is best to protect the linen from damage.
- The dance floor area should not be watered 24-48 hours prior to installation and sprinkler systems should be turned off until the dance floor is removed.
- The install area under the dance floor must be flat and open.
- A subfloor may be needed if a dance floor is going on dirt or gravel as well as under a tent when rain is anticipated.

The basic rule when determining your dance floor size is that usually 50% of your guests will be on the dance floor at any given time and to allow 9 square feet per couple or 4.5 square feet per person.

For additional sizes and configurations please speak with one of our Event Specialists for assistance in meeting your specific flooring needs.

To view dance floor styles, please see page 98.

**Performance Stage**
There are multiple configurations available to accommodate stage needs for your next event. Please consult with your entertainment professional for their specific requirements and use the below as a general guide when planning.

<table>
<thead>
<tr>
<th>Stage Size</th>
<th>8’ x 12’</th>
<th>12’ x 20’</th>
<th>12’ x 24’</th>
<th>16’ x 28’</th>
<th>24’ x 24’</th>
</tr>

<td>Band</td>
<td>Band</td>
<td>with Piano</td>
</tr>
</tbody>
</table>

Please visit our website www.cortpartyrental.com or speak to one of our knowledgeable Event Specialists for options to customize and dress up your stage.
Create your event space with one of our versatile tent styles. Our wide range of options and services allow you to design your unique space and let us handle the rest. Here are a couple of steps to consider during your exploration:

**Step 1**
Determine the clear open space available to host your event. All tents need to be secured by stakes or weights along with walkway access for guests. Measure the flat open area free from shrubs, trees, overhanging branches, fencing or other obstacles. The open width and length will help to determine the maximum size tent and style available to suit your vision.

**Step 2**
Select seating accommodations for your guests and establish your maximum guest count. This will determine the space required for guest seating.

<table>
<thead>
<tr>
<th>Type of Seating</th>
<th>Square Feet Per Guest</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cocktail Standing Only</td>
<td>6-8 square feet per guest*</td>
</tr>
<tr>
<td>Ceremony / Theater Seating with Aisle</td>
<td>8-10 square feet per guest*</td>
</tr>
<tr>
<td>Classroom Seating</td>
<td>8-10 square feet per guest*</td>
</tr>
<tr>
<td>Banquet Seating Rectangle Tables</td>
<td>10-14 square feet per guest*</td>
</tr>
<tr>
<td>Banquet Seating Round Tables</td>
<td>10-14 square feet per guest*</td>
</tr>
<tr>
<td>Banquet Event (All-Encompassing)</td>
<td>20 square feet per guest*</td>
</tr>
</tbody>
</table>

*Estimated Industry Standard

**Step 3**
Calculate additional elements and activities that will require square footage. Check with your professional vendors (catering, DJ, band and other entertainers) to obtain actual space requirements.

- **Primary Table**: 100 square feet*
- **DJ or Cake**: 100 square feet*
- **Buffet Table**: 200 square feet*
- **Bar Area**: 200 square feet*
- **Dance Floor**: Total square feet plus 25%*
- **Stage**: Total square feet plus 25%*

*Estimated Industry Standard

**Step 4**
Gather the total square footage from the steps above and compare this total to your measurements in step 1. View our Tent Size Chart on page 111 to locate the recommended tent size.

**Step 5**
We are here for you! Let us help design, plan and elevate your event.

**Tent Sizes**
The above includes the closest tent size for the number of guests listed with many other options available. Our Event Specialists will help determine the perfect size for your event.

**Lighting & Power**
Enhance your event space with our chandeliers and other lighting options. We offer multiple statement-making designs as well as standard options for back end staff areas. Explore our power and power distribution options to ensure a seamless experience.

**Site Inspections**
Ask our Tent Experts! We will meet you at your event site to discuss best options to execute your vision. With your design in mind, we review access, obstructions and measure all areas to maximize your opportunities. Remember to have all underground utilities clearly marked the day prior to installation of the tent.

**Tent Permits**
Tent permit and safety requirements vary by city. We work closely with local government agencies to ensure specific requirements are met. Permit documentation requires area and floor plans, must be applied for in advance and will include additional fees.

**Reserve Early**
As your partner, we are committed to providing the highest level of products and services each step of the way. Confirming your order early will increase product availability, delivery options available and allow adequate time for you to review all products and details on your contract for accuracy. Contract information confirmed accurate by you is the sole form of communication to reflect your specific details and overall vision.
